### BOB BYERLY

Bob, known as "Coach" during his adult years, was a terror on the basketball court in his high school years, winning MVP awards while playing on the Davidson County All-Star team. While Bob was a freshman at Atlantic Christian College, he played against Larry Brown and the UNC Freshman. He was a super baseball player. Bob's record as a coach is hardly believeable. He has had 14 championship teams, nine undefeated seasons and nine seasons with just one loss. At one time he had 52 wins and three losses. His track teams won seven Conference Championships in nine years. He has won the Sportsmanship Award every year it was offered in the North Piedmont Middle School Conference. A coach was never loved more by his players.
