

2008 Inductee

ROBERT HENRY "BOB" TOBIN

"Coach" Tobin is how all of his students remember Bob and they still refer to him in the same manner. Bob was a 1949 graduate of Thomsville High School. It was there that he "lit" up the ball fields with his sports prowess. Bob played football, basketball, and baseball. He still had time to participate in Audio Visual and Dramatics. He comes from a family of Tobins that have all excelled in sports. After graduating high school, Bob attended Gardner Webb College, High Point College and A & T State College where he received AA., AB., and M.A. degrees. He was #42 and played fullback on the Gardner Webb football team. In 1965 Bob got the dedication of the "Kaleidoscope Annual" at Ledford High School and he was well known for his five question tests among juniors taking US history. His first three years of coaching was at Sumner High School, now Southern Guilford, and he was the assistant football coach for Coach C.K. Siler.
