### WANDA WILSON CLINE

Wanda Wilson Cline arrived on the scene as girls' basketball transformed from a six player team to the modern fast paced womens' game. Wanda starred for four seasons at East Davidson and received All State honors. She also caught the eye of legendary coach Kay Yow, then at Elon. In two years at Elon, Wanda starred in basketball and volleyball, making All State in both sports.

With the departure of Coach Yow, Wanda transferred to High Point University, where she once again made All State in both sports. In her junior and senior years, she received the conference Player of the Year award in both sports. Her teams amassed an amazing 100-6 record in her four years. Following graduation, she became an educator and coach. Coaching basketball, volleyball, and softball, Wanda guided the East Davidson softball team to the State crown in 1984.
